Digging Deeper: Group Questions & Personal Reflection

1. What does it take to start a movement? Based on the polarized nature of politics and personal beliefs in our country right now, where is the need for a movement from within the Church? How can Christians practically live out their faith in our culture?
2. There is power in numbers. How is God more able to use us together verses individually? This is represented in our vision statement: Together on purpose.
3. Aaron talked about the three-dimensional lifestyle of Jesus. What were the three dimensional rhythms? Read Luke 6:12-20. In this passage, where do you see these three?
4. How does Up/In/Out apply to discipleship, particularly in regard to groups? In the context of your group, which ones do you do well? Which ones need some additional development or focus?
5. The 'out' dimension of mission is often one of the most challenging to undertake. Does your group have a missional focus? If so, how has it impacted those in your group? If not, start to pray about an 'out' expression.
