#### **Key Question**

What are you good at?

Use this guide to help your family learn what God has to say about individuality. 🚽

## Talk About the Bible Story

In our story today, what was Lydia good at? (*Making fine purple cloth, helping others*)

What are YOU good at? What do you want to get better at?

How can you use your skills and gifts to help others?

Explain to your child that God made them the way they are *on purpose*, for *HIS purpose*. God can use them—even now, when they're young.

Have you ever wished you had the kind of skills other people have? What can you do to focus on and celebrate the way God made you as an individual?

Parent: Talk about a time when you were able to use the gifts God has given you to help others.

### Prayer

Use this prayer as a guide, either after talking about the Bible story or sometime before bed tonight:

"Dear God, thank You for giving us such special and awesome gifts, and ways that we can help and serve those around us. Please help us to use those gifts this week in the way You want us to. Show us how we can use our individuality to make a difference for other people. We love You, and we pray these things in Jesus' name. Amen."
