Message Notes, Scripture, & Questions  
can also be found on the  
YouVersion Bible App under Events.

### **Digging Deeper: Group Questions & Personal Reflection**

1. Make a short list of things you have received from loved ones after their passing. What do those items mean to you? How many of those do you still have? Do they bring good memories?
2. What is the greatest intangible gift a loved one has left you? This would be considered part of a legacy. Discuss with your group.
3. From the story of Abraham in Genesis 12 - 22, what was the legacy he left to those who would follow him? What can we learn from his life in the way he engaged and obeyed God?
4. What legacy do you intend to leave your loved ones? Regardless of your present age or well being, if God took you today, what would you leave behind? How can you make sure you leave a legacy of faith with those you love?
5. Review the Five Facts of Faith from Sunday's message and rate your level, 1-5, in terms of where you believe you land in each category. One is the least and five is the greatest. Now share these with your group.
