### Digging Deeper: Group Questions & Personal Reflection

1. What were your main take aways from the message on Sunday? What stuck out to you? Discuss with your group.
2. As you reflect on the legacy left to you by parents or another loved one, what “danger points” do you recognize like those Isaac received from Abraham?
3. What is bringing strife and contention into your life now that God can remove through His, and your, faithfulness? How can you support each other in this as a Community Group?
4. Have you already decided what “blessings” you will give to your loved ones when you are called home to Jesus? What are they? What kind of plan can you establish to ensure this happens?
5. Develop a prayer list that will accomplish two things. First, to block any distribution of improper legacy. Secondly, to pray that what legacy you do leave glorifies God. Now share the list with your group and start praying!
